Enhancement	Description	Agency	Release Results
ENHC0010211	Create two new canned reports and a user view that consist of physical inventory data and the current Physical Inventory report. Users will be able to query and filter on specified fields. Additionally, the existing Property Inventory Report will include added search functionality on the Accountable Property Officer (APO)/Custodian field.	ALL	06/11/2021
ENHC0010215	Modify the APO and Property Management Officer (PMO) forms to create a new view that will provide address details and enhanced search capability on APO and PMO on such fields as name, status, and agency.	ALL	06/11/2021
ENHC0010516	Correct the size error received on the Shorthand Code field on the Manage WIP Rejects Form that occurs when the "Assign to Asset" button is selected.	ALL	06/11/2021
ENHC0010582	Modify the remaining Vehicle Property user views with the Acquisition Amount field. The system will display the sum of all the accounting lines for an asset rather than the amount of each accounting line. Additionally, the amount field has been renamed from Amount to Accounting Amount.	ALL	06/11/2021
